

Why Support MTSM?

“MTSM forms the next generation of priests. The generosity of our donors allows for the necessary formation to take place, and consequently helps the Church in its mission to proclaim the Gospel to all the earth.”

Adam Berning
III Theology, Archdiocese of Cincinnati

“It is important for people to continue to support the Seminary because there is always a need for priests in our world for each new generation of Catholics.”

Benjamin Mersch
III Theology, Archdiocese of Cincinnati

“Without the ongoing support of our donors, I would have never been able to have the life-changing experience of my Pastoral Internship.”

Chris Turner
III Theology, Diocese of Toledo
